MARXISM 96 TIMETABLE

At Marxism 96 hundreds of socialists and people who want to see a different world will come together to discuss and debate how we can unite people to challenge this rotten system and offer a real alternative.
Meetings will look at the experience of struggles past and present and draw out the lessons if we are to build the resistance in the future.
Marxism is the biggest event of its kind in Ireland.
If you are sick of the injustice and chaos of the system come along to Marxism to discuss how we can change it.
